## Buttons Nursery Helps Hospice

A presentation took place on 1st August 2017 to hand over a cheque for £500 to Sally Morris, Fundraiser for Usk House. They were extremely grateful and would like to thank staff, parents, family and friends for their generosity. A photo of the presentation appeared in the Brecon and Radnor Express on 17th August.

We are excited to be delivering 3 & 4 year old funding at Buttons from Monday 4th September 2017. The 3 & 4 year old room has now been set up in accordance with Foundation Phase guidelines to enable children to have four main learning areas, as well as lots of opportunities for outdoor play and activities.

The children continue to enjoy lots of activities throughout August based on our current topic: Transport (Land, Air & Sea).

Kirsty made chocolate cars with the children using milky ways for the body, fruit pastels and smarties for the wheels and jelly babies for the driver. The children loved showing off their cars and they were very good at resisting the temptation to eat them!

Martin created a song based on the theme and played his guitar during song time.

Gail created a game called land, air and sea. She put various forms of transport into a basket then the children took turns to pick one out and had to correctly match it to the relevant picture of a road/track, the sky, or water. The children really enjoyed this activity.

Lauran made a Buttons rocket and sun which is displayed on the wall in the Nursery. All of the children enjoyed helping to make it and they are also in the process of making planets to be displayed too!

# Buttons Garden

The Buttons Garden is making good progress. The children enjoy helping to water and care for the plants, vegetables and flowers.

As well as green beans we now have red tomatoes which are ready for harvesting and eating.

The aubergine plants look very healthy but they have yet to produce any aubergines.

We have also had a lovely show of colourful flowers.
